## Premium Table

# EXPAT INFINITY PREMIUM

The following tables give - on the basis of the desired deductible, your age and the country zone of your host country - information on the monthly premium for **Expat Infinity Premium**. Please note that, depending on the outcome of your medical checkup, risk markups may be charged. If you have any questions, we would be happy to help you by phone under +49-40-30 68 74-0.

If you take out the premium option and co-insure your children in this option, you will receive a discount of 5% on the monthly premium of your second insured child. From the third insured child, you will receive a discount of 7% on the monthly premium of the third child. The date of enrollment is used to determine the order of the first, second, third child and others. If all children are enrolled at the same time, the determination will be based on age (descending). If a child reaches the age of majority, the discount will cease to apply as of the month in which the child turns 18. Enrollments and disenrollments during the year will affect all discounted fees and will be considered during the year.
